NOVEMBER

Letter from Mr. Vigil:

Well it was a tough way to end October! We had to close our doors on October 21 amid multiple positive cases of COVID 19 among both students and staff. We had 7 students, (four of them from 2 families) and three teachers test positive for the COVID virus. The HAPPY news is that of this writing (10/29) all of those who tested positive are feeling well, on the mend, and ready to get back to school. The only wrinkle is our 1<sup>st</sup> Grade will have to stay out two more days to complete their 14 days of quarantine due to a late positive test returned by the Health Department. We will double down on our efforts to keep the "virus" from creeping back into our school. You can help us by keeping your student home if they are not feeling well or are running a temperature.

As I said in my email to you earlier, we will not reschedule Parent-Teacher Conferences but please call your son or daughter's teacher(s) if you have any concerns.

November is here and that means Thanksgiving and Christmas are just around the corner!!

Sincerely—Dennis Vigil—Principal STCS
